Comments on Statement of Reasons for Allowance

Dear Sir:

Applicant respectfully provides the following comments on the statement of reasons for allowance in response to the Notice of Allowability issued May 17, 2005.

CERTIFICATE OF MAILING

Date of Deposit: July 26, 2005

I hereby certify that these papers are being deposited with the United States Postal Service with sufficient postage as "First Class Mail in an envelope addressed to: Mail Stop Issue Fee, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450"

Comments on Statement of Reasons for Allowance

While the Applicant agrees with the position of patentability of the claims, Applicant does not believe the paraphrased reasons of Allowable Subject Matter in the Notice of Allowability (dated May 17, 2005) fully reflect the scope of the claims. In particular, the language used in the Notice on page 2 of "applying a score bin processing..." does not actually appear in the claims and the claims should not be interpreted to be limited to this language. It will be appreciated that a proper construction of the present claims may cover what the Notice of Allowability states but the claims are not limited to such construction. Applicant respectfully submits that the scope of each allowed claim is based on the language corresponding to that claim and its equivalents.

Respectfully submitted,
